

Diocese of Providence – Respect Life Office – Life Chain/October Worships – 2008

October is traditionally known as Respect Life Month and officially begins on Respect Life Sunday, October 5.

The kick-off event to the month of special prayer and worship and other events for life is the 3rd Annual Life Chain sponsored by the Respect Life Office of the Diocese of Providence. In many areas throughout the diocese participants of the LIFE CHAIN will stand in witness to life offering prayer and singing hymns softly from 2:30 – 3:30PM.

This is a nationwide event that calls all Christians to stand up for life in solidarity. The concept of special observances began in October 1972, and for each succeeding year the Catholic Bishops of the United States Conference of Catholic Bishops have focused on many life-related issues during this time ranging from abortion to end of life.

The Respect Life Office is grateful to all of the Deans, Pastors and Participants of the Diocesan Respect Life October 2008 events. For more information, please contact Carol A. Owens, Respect Life Office Coordinator, at 401/421-7833, ext. 118.
