The Mothers' Saint **St. Gerard**

Gerard Majella (1726-1755) is known
popularly today as “The Mothers' Saint” for
mothers, mothers-to-be and those wanting
to become mothers.

Our Mission

The mission of St. Gabriel's Call is to respect all life and to reach out to women who are *pregnant, desperate, and in need*, through a confidential intervention program to help make things easier for mothers-to-be during and beyond pregnancy in a local and personal way. We also offer access to social services provided through the Roman Catholic Diocese of Providence's Social Ministries and serve as a conduit to the assistance available through other agencies. We can help in various ways by providing:

- *Diapers*
- *Baby clothing baby toiletries, cribs, strollers and other baby items as well as offering support, love and spiritual help in a spirit of Christian love and friendship by accepting the mother's fears and worries in deepest confidence and find ways to alleviate them. Our help can be short or long-term.*

A mom who visited St. Gabriel's Call:

Her life is not the same. She is pregnant or has a baby and probably feeling pretty alone and frightened. So many decisions to make! Right now, she needs a friend she can depend on and trust. Someone who can help her face the emotional and spiritual challenges that come with making decisions. She needs someone who will listen to her and support her - someone who will stand by her during and even after her pregnancy. And, that someone is a Gabriel Angel who cares about her life and the life of her baby.

Providing Love and Support

An unplanned pregnancy can be a cause of great crisis in a woman's life. The decisions she makes will affect herself, her child, and her future...

We reach out to help women in a crisis pregnancy or has been impacted by an abortion experience . . .
